VVIP Infratech Limited Secures Letter of Acceptance (LOA) worth ₹ 104 Crore to construct STP (Sewage Treatment Plant) in the state of Haryana

This 60 MLD project is the largest STP project so far to be undertaken by VVIP Infratech

Ghaziabad, July 30th, 2026: VVIP Infratech Limited (BSE: 544219 | Symbol: VVIPIL) today announced that it has received a Letter of Acceptance (LOA) the office of Executive Engineer, Ambala City PHED, Public Health Engineering Department for Construction of 60.00 MLD STP at Devi Nagar on SBR Technology. The project is worth ₹ 104 crore including Two Years for Capex and 11 Years of Operation & Maintenance contract.

The Scope of work includes Construction of 60.00 MLD STP at Devi Nagar on SBR Tech. consisting of MPS, Inlet chamber, Fine screen channel, Grit chambers, SBR basins, Fibre Disc Filters, Chlorine Contact Tank, Chlorinators, COTDM Belt press system, Polyelectrolyte Dosing System, CCTV cameras etc. including supplying and laying chargeable to: Detailed Project Report for Providing sewerage network in recently merged 11 No. villages in MC area, Construction of 2.00 MLD Sewage Treatment Plant at existing STP Nayagaon, Construction of 2.00 MLD Sewage Treatment Plant for village Kanwla and 60.00 MLD Sewage Treatment Plant for Ambala Drain.

This project is funded by Government of Haryana under the budget of Government of Haryana. The Employer for the project is Executive Engineer, Ambala City Public Health Engineering Department.

Commenting on this development, **Mr. Vaibhav Tyagi, Managing Director, VVIP Infratech Limited** said, "We are very excited and honoured to have received our largest STP project so far of this scale. This projects is a strategic win for VVIP Infratech as it marks our entry into the state of Haryana. Having delivered large STP projects at Ghaziabad (two 56 MLD SBR plants), Etawah (21 MLD) and Shahjahanpur (40 MLD) under Namami Gange and AMRUT programmes, VVIP was geared to take on the larger projects. Our earlier stated plan to expand our STP and water network businesses into newer Geographies is progressing well, and we hope to continue to spread our wings in other states as well."

Order Book

With this LOA, plus ₹ 80.97 crore Bhadoni LOA received in May 2026, the standalone order book stands at ₹ 873.65 crore as on July 30th, 2026, across STP and sewerage, electrical distribution (RDSS) and Jal Jeevan Mission water supply projects — representing 2-3 years of standalone revenue visibility..
